Portrait Photography Package

Portrait photography session conducted in the comfort of your own home or at a location of your choice. Studio lighting and a choice of backgrounds are used if a formal portrait session is required. We specialise in black and white portrait photography and this is very popular with our clients. A selection of images are taken to enable the best possible choice of final images.

- One hour of photographic coverage.
- All editing, airbrushing, colour correcting, cropping, monochrome conversion and toning.
- DVD of all images suitable for viewing on a personal computer or DVD player.
- Password protected webpage on Anthony Kearney Photography website to share your images with family and friends.
- One Framed A4 enlargement of the clients choice printed on Hahnemuhle Fine Art 350g paper.
- Five 7"x5" prints in protective folders.

Optional Items

- Hardcover photo book with the images professionally bound and printed on photographic paper in a range of book sizes and page quantity.
- Additional prints from 6" x 4" to A2.
- Frames to suit all print sizes.
- Acrylic photo frames in a range of sizes
